President's Message

Thanks to Micki and Michael for the great program at the March meeting.

I hope all of you are working on a quilt to hang at the show this year. I had one member say she had both of hers ready!

We hang a lot of great friendship quilts too. I hope some of them will be finished for the show.

Kathryn

The brochures and bookmarks are ready for members to disperse to their favorite quilt shops, friends, and family members.

The raffle tickets are ready for members to sell.

Members are reminded to sign up to sell tickets at the various venues where the guild's quilt will be on display and tickets will be sold. This is a major source of funds for us and workers for these events are essential.

Friendship Block Winner

I never get tired of winning and doing blocks.

I've lived in Fayette since 1996 and have been a member of CPQG since then. I've told you about my history before when I won a drawing, so I won't repeat, I could make up something very interesting.

My husband, Bob, and I have been married 51 years, have 2 children and 5 grandchildren. They all live in California. Bob is very helpful to me in my hobby of quilting. He builds me looms, quilt holders, cabinets, ironing boards, just about anything. He loves to design and work with wood.

I really like all aspects of quilting and would love to do it all, but that not possible. What I need to do now (after this quilt) is to finish my UFO's, [unfinished objects] and I have plenty. It's just that everything new looks so exciting and the fabric is so pretty. I love the fabrics from the 30's to the 19th century, and all in- between.

I've chosen a very simple block, two pieces, two fabrics.

UPCOMING PROGRAMS.....

If you have any questions regarding this program, please let us know.
