February 9th Meeting

Ann Hazelwood - 100 years of Quiltmaking

All the members are asked to bring in 1 or 2 antique quilts.

I am there 45 min. early so I can put them in chronological order as they arrive. 4 members walk around 2 quilts at a time as I tell about that era of quilt making. They love it as I, because they learn of their quilt and see it with others like it from the era. I bring older pieces from the 1800s because they generally do not show up. It can go an hour for sure, so hope it is on a short meeting day. It is pretty fun to see what shows up. Hope the bad weather will stay away.....

President's Message

For those of you that didn't get to the January meeting, the talent that our members have is outstanding. So members, keep up the good work.

February meeting will be just as great, so bring in those old quilts.

I am sure with all this cold weather, everyone has been working on some things for the quilt show.

Kathryn

Charity

The Charity Committee has delivered quilts to the Community Cancer Center and has quilts for the newborns, Habitat, and the YMCA.

Our supply of finished charity quilts has been depleted and needs to be refilled. If you were at the Charity Work Day and took a packet home to complete, please don't forget it! If you need some pre-cut pieces of fabric (for 9 or 4 patches) let us know and we will happily get you started on another.

Hostesses for **March** are Paula S, Gayle H, Marilyn S, Joyce K

January Friendship Quilt Winner – Dixie N

I live in Winsor, MO with my husband Dean. We have one son, Michael, his wife, and two granddaughters. I got interested in quilting because of my grandmother. She was my inspiration by always doing many things, except cooking. She was a pastry chef in St Louis.

I do enjoy making friendship blocks for other members in the guild. I also enjoy oil painting, doing projects around my home, learning cross stitch, and working on my crazy quilt projects!

My friendship block will be paper pieced, but I haven't decided on the pattern as of yet.

Thank you for making a block for me.

UPCOMING PROGRAMS.....

March 9, *Toby Lischko will be coming to Marshall. Toby will be presenting a program on EQ6 and designing quilts using computer software. She will present a full day workshop the following day on using EQ6. The workshop will have a limit of 20 people and in order get the most out of the workshop, you must have a computer pre-loaded with EQ6. She will allow two people to share one computer. The cost for the workshop will be \$25 for members and if the class is not filled, it will be opened it to non-members at a cost of \$50. A sign-up sheet will be available in February and **advance payment will be required** to guarantee your place in the class. (I took an EQ6 class in Houston last year -- cost was \$98 plus \$38 registration fee....)*

April 13, *Judy Oberkrom will be presenting a beading workshop the morning before the meeting. More information on this program will be available closer to presentation date. The cost of the workshop will be our normal \$10.*

If you have any questions regarding either of these events, please let us know.

Quilt Show 2010

Don't be afraid to get involved. The September Show is YOUR show. Let's all work together to make it the success we have shown it can be!

We still need someone to be in charge of the Bazaar, you collect the items that everyone makes, and then think of a way to display everything at the quilt show in an appealing way to catch peoples attention so they will see and want to buy. If you think of some of the small stores you enjoy going to and how they have things displayed that might give you ideas on how to set the bazaar up. We need items for the Bazaar and remember that what does not sell the maker will be taking home.

We still need items for the Silent Auction-Lavonne and Marlyn,chairman-so turn your items into them.

If someone has an idea for 2011 Raffle Quilt that would be great and the sooner someone takes charge and we can get it together the better, that is usually the biggest and first item to take care of and everything else goes more smoothly. When we asked Suann and Katherine to do it, that took a lot of pressure off us and that really helped. Again THANK YOU SUANN AND KATHERINE.

Everyone is working on their birdhouses and some have mentioned their items for the silent auction. If you work on one item at a time, it won't over whelm you, and we do appreciate all your work and help. The special quilt this year, is any quilt made with 2 ½" strips. Any design, size or color.

The raffle quilt is progressing, should be out of the frame February 4th.

Also and just as important we need someone willing to be in charge of the 2011 Quilt Show, as much as NJ and I have enjoyed doing last years and this years we WILL NOT be volunteering for the 2011, we will help and support whoever does, but we will not be CHAIRMAN, it is not that hard and people are more than willing to help. We could use the help this year plus you would see how things work to help with 2011. Thanks again for all the help and support.
