January 12th Meeting

The January program is going to feature Country Patchwork Quilt Guild Members!!!

Yes, all of us! What we would like for you to do is bring something or be prepared to tell something about a talent you have other than quilting! Some of our members sew garments, some paint, some garden.....

Please be willing to share with us!

President's Message

The November workshop went well thanks to Betty Sue and the program by Georgann DeMoss.

Sorry more couldn't have been with us for the December Luncheon, there were 20 or more, we had a great time.

Thanks to the board members that cleaned out the storage building after the board meeting. Sorry I couldn't stay.

I will open the church at 8:45 for the January meeting.

Thanks for my surprise on getting my President's quilt at the December meeting, it is great. And for all the cards, calls, and food on the death of my sister.

Kathryn

Quilt Show 2010

I want to thank Suann and Katherine for finishing the Opportunity Quilt so quickly, we will be basting it together on the morning of our regular meeting in January, and start quilting on it that week or at the latest the following week. Micki has graciously said we could use her basement again to do our quilting.

If there is enough interest in making a quilt using 2 1/2 inch strips, we are planning a work day for the morning of the February, 2010 meeting.

Plus don't forget to start planning and making items for the Bazaar and silent auction.

Again thank you to everyone who is willing to help and put the extra effort out to help make this quilt show a success.

Donna and Norma Jeanee

Hostesses for January meeting are Rita M and Mary Vale J.

November Friendship Quilt Winner – Marty W

First, I want to thank you for the work you did for my Spool Quilt. The top is all sewed together. As soon as the layers are basted together, I will begin hand quilting. I don't think it would look correct to machine quilt. Maybe if I was really good on the long arm, I would try to machine quilt this quilt. Again, another challenge: to figure out which quilt pattern to have you help me construct. I know that I have until January to reach this goal. I am happy to be selected again to have your help.

What do you want to know about me? At this time I am going to keep the juicy stuff secret. I am married to Larry W, have a lab dog named Molly, two daughters, two son-in-laws, 2 grandsons, 2 granddaughters, 3 grand dogs and my mother.

I have been sewing since I was 2 years old. My sewing has included everything from lingerie, to suits, coats, kids clothes, doll clothes, to curtain, pillows and on to quilts and who knows what else. Time now is spent taking care of Larry, decorating cakes, and baking, alterations and quilting. Oh, I must not forget working out on the wii fit. If you want to know anything else, just ask.

UPCOMING PROGRAMS.....

Feburary 9th, *We have booked Ann Hazelwood, for 100 YEARS OF QUILTMaking.*

All the members are asked to bring in 1 or 2 antique quilts. I am there 45 min. early so I can put them in chronological order as they arrive. 4 members walk around 2 quilts at a time as I tell about that era of quilt making. They love it as I, because they learn of their quilt and see it with others like it from the era. I bring older pieces from the 1800s because they generally do not show up. It can go an hour for sure, so hope it is on a short meeting day. It is pretty fun to see what shows up. Hope the bad weather will stay away.....

Ann M Hazelwood, LLC

March 9, *Toby Lischko will be coming to Marshall. Toby will be presenting a program on EQ6 and designing quilts using computer software. She will present a full day workshop the following day on using EQ6. The workshop will have a limit of 20 people and in order get the most out of the workshop, you must have a computer pre-loaded with EQ6. She will allow two people to share one computer. The cost for the workshop will be \$25 for members and if the class is not filled, it will be opened it to non-members at a cost of \$50. A sign-up sheet will be available in January and advance payment will be required to guarantee your place in the class. (I took an EQ6 class in Houston last year -- cost was \$98 plus \$38 registration fee....)*

April 13, *the guest artist will also be presenting a morning workshop before the meeting. Judy Oberkrom will be presenting a beading workshop. More information on this program will be available closer to presentation date. The cost of the workshop will be our normal \$10.*
