March 9th Meeting

Tobie Lischko will present a program on **“Designing with Computer Software”**. See if this is something you would like to do.

The full day workshop on Wednesday, March 10th will be Electric Quilt 6. The workshop will have a limit of 20 people and in order to get the most out of the workshop, you must have a computer pre-loaded with EQ6. She will allow two people to share one computer. The cost of the workshop was \$25, advance payment was required.

Lunch will be a baked potato bar.

President’s Message

Now that March is here, we can hopefully see the end of winter.

The snow is gone, and with warmer days ahead, the weather is looking up.

Better get busy on those projects before you find yourself outside more.

Quilt Show 2011

The Guild needs two members to chair the 2011 show. Volunteer NOW and you can shadow Donna and NJ and find out how really, really EASY it is!

A quilt show is being held April 16 & 17 on the SFCC campus. It is sponsored by the college and Patches Place Quilt Shop.

Free Admission

Go to: www.sfccmo.edu/multipurposecenter or call 660-596-7443 for more information. Click on Quilt Show!

There are 16 quilt entries to enter, vendors are welcome @ \$75 and I am quite sure we will be able to sell tickets on our quilt.

Entry forms and vendor contracts are on this web site and must be returned by March 26th. Amanda M will have forms at our March meeting.

Charity

Baby quilts were given to the first babies in Saline and Carroll Counties. Relay for Life received a large quilt to sell raffle tickets on the the YMCA received a quilt to auction off. Two quilts are ready to present to the Habitat for Humanity families.

Members are asked to please finish any charity quilts that they have at home as our supply is dwindling. We will use our "stock-piled" charity quilts to cover windows at the Quilt Show, so we do need more!

If you would like to start a charity project, we have kits and fabric.
