## Quilt Show Report

Show time is rapidly approaching and everything is coming together. I have a few last minute reminders for all of us:

**PROPS:** Please bring these Friday and place them to the left of the entry doors in the gym. Make sure each item is marked with your name so you can identify it. Pumpkins and gourds can be marked on the bottom with magic marker. Suggestions for props would be: Small antique items, doilies, small chairs, dolls, tables, baskets, fall leaves, bittersweet, pumpkins, mums, flower arrangements, scarecrow, corn – all things Fall.

Please wear black or dark pants or skirts, with white or light tops and a name tag when working the show. We still have vacancies on the work sheets.

Quilts need to be there on Friday morning between 8:00 – 8:30. Remember to fold them wrong side out; have the label attached and facing up to make it easier to check them in. Also, if you are bringing quilts for display purposes only they should be marked for identification. I will need quilts to cover the windows as we enter and some of the other areas, table tops, etc.

We need cookies to pay the college fraternity who help put up and take down the frames. Please bring these on Thursday night at 7:00 p.m. and put them to the right of the entry door in the gym. We will need cookies again for Sunday evening at 5:00 p.m.

Don't forget the food you signed up to bring and the times you are scheduled to work.

Bring baked/canned goods for bazaar.

Thanks to everyone for your efforts in preparing items for the bazaar, silent auction and to enter in our annual show. Without each of you this would not be possible each year

Thanks again everyone!

Karen

We wanted to thank everyone for their participation in the Silent Auction items you made this year! Also a reminder if you want a reserve price on an item you turned in, please let us know. We are looking forward to a great quilt show and lots of happy bidding.

Again Thanks

Micki and Michael

There will be an appraiser at the quilt show. This is a great opportunity to get your quilt appraised

## COUNTRYPATCHWORK FINANCIAL STATEMENT SEPTEMBER 27, 2011

(See emailed newsletter for financial information.)

## Friendship Block Winner

I first started quilting in the 1980's in Laguna Beach, California. Having grown up on a farm in Saline County, in Missouri, I was aware of the time and labor and I might add love, which my grandmothers and great aunts put into their heirloom quilts. Many which were passed down and which I have slept under most of my life. Somehow I felt with the ease of a sewing machine, it might make things go more smoothly. My first attempts were awkward and abounded with mismatched seams and loose stitches. After several quilts I moved on to another field of creativity. As long as I was creating, I felt closer to God.

After moving back home in 2001, I became obsessed with quilting again and eventually joined the Country Patchwork Quilters Guild in Marshall, Mo. Through many books, television programs and quilts the pieces to the puzzle begin to take shape and the terms I was hearing, now had meaning.

I have always wanted to provide quilts for my loved ones to wrap themselves in as my grandmothers and aunts did for me. The immediate family is covered and tucked in and I'm working on my nieces and nephews, of which there are seven. Out of the seven, five are wrapped in the comfort that only a quilt can bring.

My choice of a quilt block is one we are all familiar with; the surprise will come in the finished quilt. Thanks for all of your help!
