From the President

Yeah, the raffle quilt is out of the frame. If you came and quilted, thank you so much. If you missed getting to come quilt, you missed a good time.

This weather sure hard to keep up with. Snow one day and then working in the garden. Since we didn't get much rain or snow Friday, we were able to get our oat hay planted over the weekend.

I am not getting as much quilting done with the mild winter, but getting a few things accomplished. I hope everyone is working on items for the quilt show bazaar and silent auction.

Kathy

I just got home from 3 days of skiing in Colorado with my son and 2 daughters, one from Illinois, and one from San Diego. We had such a good time, good snow and good weather. Wonderful family time and I can still keep up.

Meeting Tuesday, March 13th 1:00

Bettina Havig is giving a program on Amish Quilts. Bettina, a very talented quiltmaker, teacher, lecturer, judge, quilt historian, appraiser and consultant, is from Columbia.

There will be a Board meeting in the morning before the meeting at 10:00.

March hostesses will be Gayle H, Bobbie Jo P, and Anita C

April hostesses will be Donna R, Dorothy R, Marilyn S, and Joyce K

Birthdays

- 3-1 Mary Pat W
- 3-5 Betty L
- 3-9 Betty E
- 3-22 Elsie L
- 3-24 Gayle H

Upcoming Programs:

April 10th 1:00 Nell Mann on Embellished Applique

May 8th 1:00 Round Robin Work Stations

The raffle quilt really looks wonderful with the beautiful quilting on it.

Suann C has a long arm quilting machine for sale. It is an older NuStyle without a stitch regulator. You can adjust the speed, but you are in control of stitch length. You can do pantographs or free hand since there are handles on both sides of the machine. The table is 12 feet long, so you can do a 120" plus quilt. Call 660-248-2889

Since we didn't have a meeting last month, there are no minutes.

Quilting each day

A little information about our new member, Lynn O

My husband and I moved to Missouri after he retired from a career in the military. Neither of us have roots here, the scenery and cost of living were the two main reasons we chose this area. I have always sewn, and had made a couple quilts back in the days before rotary cutting. When I met a few quilters here, I learned the world of quilting had changed greatly. I was hooked!

My favorite part of the quilting process, (besides the fabric shopping!) has always been the actual quilting. Arthritis has made hand quilting too difficult. So I began quilting on my domestic machine and moved on to long arm quilting, which has become my true passion.

I am looking forward to being involved in the activities of the guild and getting to know the many talented and artistic quilters who have made me feel welcome already.
