From the President

If you missed the luncheon, it was very nice. The food was wonderful and the program was fun and very informative.

This will be my last newsletter. Doing the newsletter is way out of my comfort zone, but I have enjoyed it and learned so much. I have accepted other responsibilities and feel I don't have the time the newsletter takes to do. Also I think it is time for a new editor.

Karen G has agreed to do the newsletter and I know she will do a wonderful job.

Friendship Block Winner

I think you all somewhat know who I am, but for those who I haven't had a chance to get to know better, my name is Michael D. M, born and raised here in Saline County. I spent most of my life, living in Southern California, where I worked in display and floral design. My parents live in town now and I live with my oldest sister Karen and our younger sister Vicki lives in Waco, Texas.

I'm always excited when my name is drawn for the friendship quilt. My grandmothers and Great Aunt's were all quilters and I grew up seeing them always working on something. As most of you know, we recently moved and when unpacking a box, I ran across a pad of graph paper. When I first joined the guild, I use to sit in my recliner at night and try to create new patterns and blocks.

I have chosen as my block one which I created and to my knowledge is another version of an interlocking pattern. If anyone is aware of it, please let me know. All of the blocks are the same and the sashing ties it all together, creating the magic. I have a new sewing room almost put together and this will be the first quilt to break in the room. I want to thank everyone who chooses to participate in advance. If there are any questions please let me know.
