From the President

The August program was very interesting. I had no idea there were so many different flower garden and hexagon quilts.

I finished my tote bag. Seminole piecing is fun, and I love the results. It is easier than it looks. I have way too many bags, but still have to empty one when I need one sometimes.

September's meeting will be important to attend. There will be information you need to know about the quilt show, October's luncheon, and the November workshop. You will have a chance to sign up for the times you would like to work at the quilt show, and sign up for the luncheon and workshop.

It sounds like a fun program also.

Quilt Show Report

We have all our quilts for the quilt show. Everybody needs to start collecting their props that they can bring. It is a LARGE area to fill up.

Be ready to sign up for all the duties, (admissions, fat-quarters, raffle quilt, etc) Sheets will be available for their signatures at our September meeting.

September will be the last meeting to bring in fat 1/4s and silent auction items. Things for the Bazaar can be brought to the quilt show on Friday the day before the quilt show.

We can use all the help we can get on Thursday night, getting tables set up, getting booth areas marked out, and getting ready for the quilts to come in Friday morning.

Friday morning, get your quilts to the Martin Center by 9. Have props ready to bring in after 2.

Thanks for your support... Betty, Karen and Kathryn

Friendship Block Winner

This month's winner didn't come easy. Rita M's name was drawn at the meeting. She is off on a trip and I still haven't been able to get in touch with her. Dixie N's name was drawn next, but she just had her name drawn last October, so wasn't eligible. Gayle H's name was the next one drawn.

I have been a member since the guild began, how things have progressed though the years. Marlyn and I have been married 52 years now, and how that time has gone by. Marlyn retired from KPCL in 1994, at that time we moved to Independence to be near our children. Doug and wife Kim have 2 daughters. Claire is a senior at LSN and Faith is a sophomore. Their mother is vice principle there. Annette and husband Brandon have 2 boys. Cole is in the 4th grade and Reade is in kindergarten. Annette is a teacher of 6th grade at Hawthorne Hill, in Lee Summit.
