APRIL 2013

Message from President

So much for spring, I guess it's going to warm up next week. Sorry I missed the meeting last month, and thanks to those that took over and helped out. I had a great time skiing with my kids. They are really good and I can barely keep up, but it sure is fun. I find it hard to get back in the routine when I get home. I need to get outside and start on the spring work that needs done, but I am enjoying staying in and sewing. I am not getting near what I would like to accomplish this winter, but that is the same old story.

I am looking forward to the workshop next month, hope I can find the time to finish it. It should be great fun. The quilts will all be so different from each other, depending on the fabric used. I hope you all are enjoying the inside time, hopefully it won't last much longer.

Kathy

FRIENDSHIP BLOCK WINNER—MARLYN M

As most of you know Quilting is my favorite past time. I quilt for my church, guild, and for myself. My goal is to make all of our Grandchildren a quilt when they graduate from college. I have completed 3 done and have 3 to go. Also the great-grandchildren are coming now and I am not complaining—what better thing to do for them.

Keeping up with the 3 boys in Kansas is not easy. If its not soccer, wrestling, baseball, football ,track or Eagle Scout projects, its doing things for our kids. It is something we enjoy or we wouldn't do it. Grandson Garrett is making (sewing bags) for emergency preparedness items for a private school in Tonganoxie. So who gets to help? Grandma, of course.

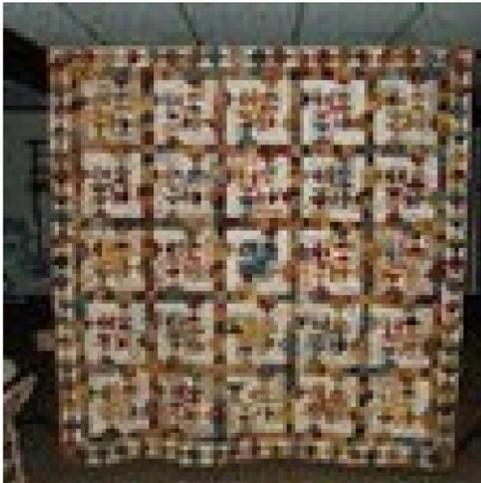

Volunteering at the hospital and doing some alterations fill some of my time .

As soon as Spring gets here , there will be garden and flowers, yards to mow and things that come with warm weather.

Always great to come to guild and is something I look forward to each month. Also making friendship blocks is something i like to do.

Thanks now for making a block for me.

Marlyn

QUILT SHOW 2013

The first public appearance for our quilt was March 9 at the 150th Battle at Marshall meeting. They were presenting a period fashion show and we were invited to show our quilt and sell tickets, A picture taken of the program was printed in the Marshall Democrat and if you looked at the left hand side background you would have seen our quilt. We have been published!!!!

Saturday, March 23, the Marshall Cultural Council is hosting a craft fair and we will be showing our quilt there also (and selling lots of tickets, I hope). Hope the weather cooperates with us for that event.

April 13, Janet E and Marty W will be taking the quilt to the Heartland Meeting in Kansas City/Independence.

First week in May, Marty W will be taking the quilt to show to the Arrow Rock Quilting Camp, and May 13 the quilt will go back to Arrow Rock for their Spring Fling. This is a real fun event and if you haven't been there, make a point of visiting and check out all the crafts, jewelry, garden "stuff" and much more. By the way, we will be sending out a sign up sheet at the April Guild Meeting for people to sell tickets that day. Two hours of selling tickets and then enjoy the Spring Fling.
