MAY 2013

Message from President

I just got back from my trip to Phoenix and Sedona. I had a great trip and it seems it was a good time to be gone with all the cold and rain. I hope the weather warms up, I have some garden planted and it's not doing much.

I sure saw some beautiful and inspiring sights on my trip. Hope I can follow through and make some things. Though I have my "one block wonder" to work on also. That was a fun class, every quilt is coming out so different. I hope everyone who took the class will have at least enough sewn together to have something to show for show and tell next month.

FRIENDSHIP BLOCK WINNER—BETH C

My husband, Monty C, and I have been married 37 years in May. We have two daughters, Celtina , a pharmacist and Krystle , a teacher. We have a son-in-law, David and a granddaughter, Evie, that just turned one in April.

I grew up watching my Grandma Ruby make quilts. She always had a quilt rack in the living room during the winter months. She allowed me to put in stitches from time to time. When I was in college a friend's mother had a longarm quilting machine and I thought I would like to try that someday. About 20 years ago I made my first quilt out of knit scraps that I had. After several knit quilts I made T-shirt quilts and some were donated for raffles of the MHS Band when my daughters were in school. After retiring two years ago I got to have a longarm machine and opened my own business called, Chase "N" Quilts. I knew I always wanted to do machine quilting for other people and have learned so much about it in the last three years.

I really like making quilts with theme material. My favorites were the Mizzou quilt, the golf quilt, the Dr. Seuss quilt, T-shirt quilts and my future log cabin quilt.

After 31 years as a public school librarian I don't get as much reading done but I love quilting and try to get some done everyday. During the summer I like to garden and can vegetables, put up my blackberries and other fruits.

Thank you again for helping me with my Friendship Quilt. I will cherish it forever.

QUILT SHOW 2013

Sunshine today (so far), plants are blooming and winds are fair.....Our Opportunity Quilt is in the new beginnings of showing herself off to the public also. Marty W returned from a quilt camp this last week and sold \$20.00 of tickets there, plus several requests for information to mark on their calendars to attend our show. The 13th of April, Janet E and Marty W attended Heartland with about \$40 worth of tickets sold there. Further appearances (I swear, we may need to get a passport for this quilt yet!) for the quilt will be the week of

May 6-10, Marty will be taking the quilt to the Arrow Rock Quilt Camp and then the 11th of May we will be appearing at the Arrow Rock Spring Fling. This show has always been a good venue for us. Hope everyone can attend the show (and maybe buy an extra ticket or two?) and have a great time while you are there.

Anybody that has any opportunities or ideas for our quilt to visit, let us know. Remember, this year we need to self-advertise more than ever as our budgets had to be cut. We can still do this if we all pitch in. See you at the Guild Meeting on the 14th!
