From the President

Here it is newsletter time again. Time seems to be flying by. I've been getting lots of sewing done which is surprising. Lots of Drs. visits lately which seem to take up a lot of time, Melvin is doing as good as can be expected, changing medicine is not easy for him as family history is not good. Trusting in God that things will turn out alright.

Remember if you are interested in ordering Love of Quilting, we need your money and address at the March meeting. We have had a good response to this. Thanks.

Happy Birthday to Betty L, Mary Pat W, Elsie L, and Gayle H.

Glad to hear that quilting at Bobbie Jo's is going so well. Remember new members and old as well, this a good opportunity to learn or to improve on your hand quilting. There are lots of experienced quilters that would be happy to lend a hand. Also enjoy good food and fellowship----what more could you ask for.

Thanks to everyone who stayed after refreshments for the workshop--demonstration. You missed out, hope to see some finished items at the meeting.

ALSO BOARD MEETING WILL BE AT 10:30 AM GUILD MEETING DAY. Keep Quilting,

Marlyn

Quilt Show 2015:

At this early date members need to be (1) turning in ticket sales money (2) working on Challenge Projects. Remember the theme: Celebrate America, Sweet Land of Liberty. Nothing over 100" perimeter. Due Aug. 11. You can do it!! (3) making items for the Bazaar and/or (4) making items for the Silent Auction. I am currently working on raising both awareness and money for the show. Bobbi Jo, Beth and I took the quilt to Apple Tree for a Viking Club Meeting, sold tickets and told about our show. Many in the audience had attended our shows in the past and spoke highly of them! That says a lot about our Guild and the work we do to put on a great show. Your work is appreciated.

Note about February Program:

I would like to clarify my thoughts. If everyone that wants to participate in making one of the 4 fabric cuts that Gina Hare did would do the following:

1. Bring 4 10-inch squares to the March meeting. These 4 may all match or maybe two of them match. Keep your fabrics muted in brown, greens-things Gina had on her board.

2. We will have a fabric swap. You will take home 4 10-inch squares and do the making of the blocks. You do not have to square them up. Marty will do that for us.
3. Bring the four new blocks back to the April meeting. Marty will take them, with anyone that wants to help her, and organize them into a quilt top. This will be quilted and be an item for the bazaar.
4. Directions on how to prepare your blocks will be at the March meeting. Any questions, you may e-mail Marty
