#### Charity Committee Report

Marlyn Martin and I would like to thank everyone who came ready to work on charity projects at the January meeting. We accomplished a great deal with everyone working together, enjoying each other's company, sharing supplies, and having a good time. If you were not there but would like some fabric or a pattern, see Marlyn or me. We will be happy to share with you!

Rita's workshop was interesting and not so difficult that we didn't feel overwhelmed. It will be fun to see all of the finished mini's at the next Show 'n' Tell.

### MESSAGE FROM THE PRESIDENT...

First I want to thank Rita for teaching the workshop, it was great. Again thanks, Rita.

Guild members, I want to thank each and everyone who attended the Jan. meeting. There was a lot of decisions to be made. All in all I think things went very well. With everyone trying to keep the mutterings from happening made this possible. We just need to keep the talking down so everyone can hear and be heard. We accomplished a lot of things and there is still more to do.

Also we need to thank Norma Jeane and Christy. NJ cut at home and Christy cut during the workshop and during the meeting packets for Charity Quilts. And everyone who either sewed on one or helped with pressing and or took one home to finish or make. This could not have happen without all your help. Thanks to all!!!!!!

For those who don't know an angel called me and offered to help with the quilt show. Kathryn Jones and Marty Webster volunteered to help me. We want every member to help in some way with the show. This is not my show or anyone else's. We all have to work together. If there is something you would like to help with let me know. We want a great show this year, also it will be held at the Martin Center the last weekend in Sept. as usual 24th & 25th.

Remember your miniatures, challenges, and most of all your quilts. The committee would like for every member to show 2 quilts in the show this time. They can be yours or you can sponsor them. You can fill out more quilt forms so we will know you have more quilts to show as space allows. Number your forms as 1, 2, 3, etc. See you in Feb.

Happy Quilting  
Marlyn

### Quilt Show Updates

Fingers are going back and forth working on getting the opportunity quilt quilted by the middle of March.

Hope you have found a pattern for your challenge which is using 30's fabric. Remember that there are many 30's solid colors that you can use for your background. If you need 30's fabric e-mail Maryln, Marty or Norma Jeane. Remember this year we are putting the buddy plan into effect.

We still need volunteers to chair the bazaar. First step is to collect the bazaar items. There are quilt sisters that will help you with pricing. For the bazaar we need UFO's, orphan blocks, magazines, patterns and etc. This may be the time to down size your stash. (My husband, Larry, would love for me to do this. Ha Ha!)

Keep working on your different quilts. We will again have the 4 categories as last year. The quilt forms will be out earlier this year. This does not mean that your quilt has to be done before you turn in the form; but finished in time for the quilt show.
