### **LETTER FROM THE PRESIDENT**

Hope everyone has enjoyed this cooler weather. They say Fall is just around the corner then I hear it's going to be in the 90's the first of September.

Keep working on your projects for the Quilt Show. I've just been looking at the worksheets. They are very,very empty. We are still needing individuals to commit in working the Quilt Show. We want to pull off an AWESOME event! Please look at your schedules and sign up at the Guild Meeting. On Friday, please plan to stay after you have dropped off your quilt to assist in hanging the quilts for the show. EVERYONE's help will be needed Sunday as well to take down the quilts. Be thinking about what decorations & props you can share to glamorize the show. Bring props and decorations to the Martin Center on Friday when you drop off your quilt.

Marlyn

I'm Christy Windmeyer and I'm so excited to have won the Friendship block. I'm not the design and shop-for-fabric quilter many of you are; I just quilt because I like to sew "so" much. I no longer need work clothes and piecing and quilting still allows me to still feel the "buzz" of the machines. I top and longarm for the Quilts of Valor Foundation mostly. I'm amazed at some of the quilts I receive to quilt. There's a lot of dedicated and talented folks out there. I love quilting charity quilts for whatever organization shares one. My husband retired from the Air Force and he and I volunteer with Honor Flight KC taking our veterans to Washington DC to see their monuments. He often helps me with a quilt when I need an extra hand or eye. My block is Christmas and patriotic colors, of course. Thank you to everyone who will make one.

Christy

**CPQG

## *Advice from a Singer Sewing Machine Manual from 1949*

*Prepare yourself mentally for sewing.*

*Think about what you are going to do. Never approach sewing with a sigh or lackadaisically. Good results are difficult when indifference dominates. Never try to sew with a sink full of dirty dishes or beds unmade.*

*When there are urgent housekeeping chores, do these first so that your mind is free to enjoy your sewing. When you sew, make yourself as attractive as possible. Put on a clean dress. Keep a little bag of French chalk near your sewing machine to dust your fingers at intervals. Have your hair in order, powder and lipstick put on. If you are constantly fearful that a visitor might drop in or your husband will come home, and you will not look neatly put together, you will not enjoy your sewing.*
